## The Experimental Obstetrics and Gynaecology runs!!

At the 4<sup>th</sup> Firmenstaffellauf 18 teams of the Medical Faculty and the University Medical Center started on the 19<sup>th</sup> of July 2012 with 5 runners each. They run 2,5 km around Adolf-Mittag-See. Even though our teams did not win, it is fact all runners had a lot of fun and joint a sportfully evening together.
